CLASS DESCRIPTION:

Dr. Robert A. Rohm presents the four patterns of Human Behavior. When we learn to identify specific Personality types, we can discover people’s motivational drives and how to interact more effectively. You will never see other people the same way again! Dr. Rohm has a knack for taking complicated issues and breaking them down into understandable concepts that will change your life for the better...forever!

“You can be empowered by one of the clearest communicators I have ever heard. Dr. Robert Rohm’s insight can change your life. I believe his insight is the key to happy, healthy relationships as well as success in the financial world. We apply this system in my own company and have profited immensely from it. Robert Rohm will help you to understand your people as never before!”

ZIG ZIGLAR, PRESIDENT, ZIG ZIGLAR CORPORATION

BIOGRAPHY:

Dr. Robert A. Rohm is a world-class communicator and keynote speaker who entertains and enlightens audiences with his keen insight into relationships and personal development. For over 40 years, Dr. Rohm has affected people’s lives through speaking, teaching and inspiring individuals across the United States, Canada, Australia, Europe and Asia to develop better relationships in their professional, family and personal lives. Dr. Rohm earned his Ph.D. at the University of North Texas in Higher Education Administration and Counseling. Dr. Rohm is a sought-after speaker who empowers people to improve their relationships and teams. He has spoken for numerous schools, churches, businesses and international companies. He is known as “the most invited back speaker” because people enjoy his talks so much! His powerful presentations continuously evolve to offer greater insights into enduring principles for understanding self and others.
